Billing in September

Course Details

90 hours of instruction

Certificate of Professional Studies Accreditation upon successful completion

First Class: Tuesday, September 24, 2019

Last Class: Thursday, January 16, 2020

Location: NSCC Akerley Campus, 21 Woodlawn Rd, Dartmouth, NS B2W 2R7

Evenings: 6:00-9:00 pm, Tuesday and Thursday

Course Description

Participants will become familiar with the opportunities and challenges of residential property management and access resources and connections relevant to this field. From examining critical aspects of the Residential Tenancies Act to discussing issues with existing landlords and apartment managers, the course will be very current and highly interactive.

Learning Outcomes

- Apply human resource processes and procedures following the relevant employment regulations and legislation: Labour Standards Act, Human Rights Act and the Occupational Health and Safety Act.
- Identify property assessment and financial management tools and strategies to analyze, manage and oversee the viability of a property to industry standards.
- Apply effective customer service and mediation strategies throughout the tenant life cycle.
- Access the related legal resources required for property management according to provincial and municipal legal standards.
- Explain marketing concepts and implement in day-to-day operations.
- Apply property maintenance and risk management procedures to industry standards

Course Cost

Members: \$1,095

Non-Members: \$1,295
