"Coming into the course knowing little about the industry, I now feel confident in my understanding of the role of a property manager and the numerous responsibilities they have. My instructor, along with the course material, covered an abundance of knowledge that I now apply everyday while working for the Affordable Housing Association of Nova Scotia" ~Adriane Salah, Affordable Housing Association of Nova Scotia

I have 12 years of professional experience in multi-residential property management and I still learned a great deal more from this experience...
